Date: November 19, 2019
Advertisement for Institute Postdoctoral Fellowship

Applications are invited for a postdoctoral position in the areas of Operator algebras, Noncommutative geometry and Quantum groups. The selected candidate will be carrying out research along with Prof. Bipul Saurabh in the above areas, and will be funded by the institute. More information about the research interests of Bipul Saurabh can be found on his website https://www.iitgn.ac.in/faculty/maths/bipul.htm.

Name of the position: Institute Postdoctoral Fellow

Salary: Rs. 40,000-50,000 per month.

Qualifications: The candidate should possess
1. A Ph.D. degree in Mathematics
2. A solid background in functional analysis, Operator theory and Lie groups.

Duration: 1 year (Possibility of extension on the basis of performance)

Apart from research, the applicant will be expected to contribute to other academic activities of the Institute including teaching.

Application Process: Applications may be sent through email to Prof. Bipul Saurabh at (bipul.saurabh@iitgn.ac.in) on or before December 30, 2019. Each applicant should include a single PDF file containing
  1. A complete current CV with the details of all educational qualifications, research experience, publications, and names of 3 references (see below).
  2. Brief one-page summary of doctoral research (or most recent research work)
  3. Brief one-page summary of future research plans.

Letters of reference: For full consideration, each applicant should also arrange for three letters of recommendation to be sent to Prof. Bipul Saurabh at (bipul.saurabh@iitgn.ac.in).
