Advertisement for Visiting Scientist
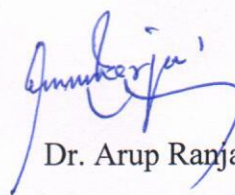

Adv. No.108/CSQC/20 – 21 dated 17.11.2020

Applications for the position of Visiting Scientist (on temporary basis) are invited from bright candidates (Indian nationals) who have completed a Ph.D. in the relevant field.

Applications should be sent by email to the Head, SQC & OR Division at the address sqcor@isical.ac.in and must contain a Curriculum Vitae with names of at least two referees, a list of publications, a research statement and a teaching statement. Name(s) of the faculty member(s) of the SQC & OR Division with whom the applicant wishes to work may also be mentioned.

The deadline of submission of applications is November 30, 2020. The tenure for this association will be for three months during 2020-2021 financial year. The expected consolidated monthly honorarium will be between Rs.39000 – Rs. 52000, based on the credential of the candidate. The selected candidate needs to submit a written report to the Head, SQC & OR Division and the Deputy Director of ISI about the work done after completion of the tenure.

The unit-wise and subject-wise requirements are given in the following.

Location	No. of Visiting Scientists	Academic Qualification	Research Interest
SQC & OR Unit, Kolkata	1	Ph.D. (Engineering)	Large-scale Data Analytics, Machine Learning & Artificial Intelligence.
